President's Message

By Dave Williamson, Brampton, ON

Now where has the summer gone?? Happily, the square and round dance season is starting once again!

Most of you, like me, are probably old enough to remember the days of rotary dial phones, telephone operators and party lines. That's because we square and round dancers are an aging population. Perhaps we aren't attracting younger dancers to our activity because they want everything instantly (no time for weeks of lessons). They've probably always used E-mail instead of 'snail mail', cell phones instead of home phones and texting and twittering for instant communication. I, on the other hand, keep my cell phone in the console of the car in case of emergencies (like, "I'm at the grocery store, what do you need me to pick up?").

Although most of us have joined the 21st century, there's something to be said for a personal phone call or, better still, a visit from a friend. And what could be nicer than the face to face contact, the smiles and warm hugs that await you when you attend a dance. Now that sure beats a text message!

Have a great dance season and remember that T & D is running a series of dances starting on Saturday September 18. Why not E-mail, text or twitter those non dancing friends and get them to try the 'personal touch' of square and round dancing?

From the Editors' Desk

Bob & Betty Beck, Thorold, ON

This issue marks a change in TOPICS. One change is the number of issues. There will now be five issues of TOPICS annually instead of eight. We have reduced the number of issues simply because we are not receiving enough articles to fill eight issues. Hopefully, members and clubs will do their part by sending us articles and information. The issues will be September, October/November, December/January, February/March and April/May. Articles and information will be required by the middle of the month previous to printing i.e. September 15 for the October/November issue.

The biggest change will be the format. TOPICS will now be sent out as a newsletter. This will mean a lot less cost in printing. The cost of a mailed subscription is \$10.00 per year. You may deduct \$2.00 for any missed copies. TOPICS will be available free on T. and D.'s website www.td-dance.ca by the beginning of the subscription month (i.e. September 1st for September issue).

Another change is that there will be no ads in TOPICS. You may e-mail your flyers to Jerry Callen to put on the T. and D. Website. TOPICS will print, free of charge, a listing of all special dances being held by T. and D. Clubs, so continue to e-mail your special dance information to us.

As I write this, we don't know what the final product will look like and we're sure there will be some changes as we go along, so please bear with us. Until next time, Happy Dancing!!

CLUB NEWS

(Toronto and District Member Clubs)

ROYAL CITY SQUARES - Guelph, ON

Carole and Don Bates, Publicity - August 2010

We're happy to contribute to the Toronto & District Square Dance Association's Topics as it makes its debut 'on line'! News about this change is included in our September newsletter; having the publication of square dance news available to dancers on their 'screen' will be a great boon. For those few who do not have access this way, we'll print a copy for the flyer table.

Our new executive are ready to take on this coming season with lots of enthusiasm: Presidents Ruth Slavin and Marion Sharpe, supported by Vice presidents Linda Genereaux and Linda Greenhill, Secretary, Treasurer Jessica Garner ... and of course Yvonne Paterson and Louise Watson give continuity as Past Presidents. The team also includes Social Convenors Jim and Pat Neville.

Our first evening this fall is Tuesday, September 14 where we'll host the first of two 'open house' evenings ... we are always looking for new members! These first evenings are part of the Tuesday program and will be followed by a 'Mainstream Teach' series called by Dave Williamson. Club Mainstream dancers meet on the Tuesdays and share in the 'nurturing' of the new dancers!

The Wednesday program starts September 15; We're following up last season's successful 'Plus Teach' program; caller Jeff Priest plans on 'workshopping' the calls learned to gain Plus confidence. The evening starts at 7:30 with Rounds cued by Andrea Priest and the Plus dancing starts at 8:00 with Jeff; the evening will include full Plus tips and rounds as well as the workshop tips.

Again this year, both groups are at Guelph's Paisley Road School, address is 406 Paisley Road (East of the Hanlon Parkway/Hwy 6). Use either the front door or the gym door at the back ... lots of parking!

Bad news ... good news. First the bad: the traditional Royal City Squares feature dance, Harvest Hoedown, will not be held as a Saturday night event this year. The good news is that a feature '**Harvest Hoedown**' singing call celebration of harvest time is planned on the club's Wednesday evening on **September 29** ... as well as Jeff's *singing calls*, Andrea will cue rounds from 7:30 to 8:00 and the squares start at 8:00. Refreshment and 50/50 are planned ... so it's Paisley Road School in Guelph on September 29, \$6.00 per person. Ya'll come!

A highlight of our fall dance program will be a day of dancing in partnership with SWOSDA on November 27 ... details about it will follow as a flyer in the near future but put the date on your calendar now!

Tuesday caller:	Dave Williamson	
Wednesday Caller:	Jeff Priest	and our Cuer: Andrea Priest
Location both nights:	Paisley Road School, 406 Paisley Rd (E. of Hanlon Pkwy/Hwy 6)	

WATERDOWN VILLAGE SQUARES

By Rose Marie Robinson

They certainly have not been “lazy”, but the *hot, humid, hazy* days of summer are quickly drawing to a close. The fall dancing season will be starting soon, and it won't find the Waterdown Village Squares (“WVS”) asleep at the wheel!

Travel

Many of our members danced at the Toronto & District's annual **International Square & Round Dance Convention** in May, and some were able to attend the **Canadian National Convention** in July. We have heard very positive reports from both groups, and we look forward to seeing photos and hearing stories about Halifax and “down east” vacations!

TV Celebrities!

Thanks to the Waterdown Village Squares “publicity team”, who gathered a group of WVS dancers on August 18th to tape for a spot on **CH News**, which was televised August 19th. Congratulations to **Doug & Annabelle White, Bill & Carol Marsh, Jim Lee and Bev Barrowcliffe** for making the initial contact with CH TV, and for working against a very tight time-line to make it happen! We have it on good authority that the clip was viewed as far away as Espanola, ON!

Cactus Festival Parade

Another great promotional and fun activity was our participation in the Dundas Cactus Festival Parade on August 19th. Members of WVS danced aboard our float for hundreds of spectators - young and old - along the parade route. **Jim Lee** did his usual great job of calling for the two squares on board, while “walkers” handed out flyers about our **new dancer** program. Special thanks to **Bienenstock Natural Playgrounds** for the loan of their truck and trailer, and to volunteer driver, **Steve Robinson**.

Back in the Swing of Things

Dancing for Fall, 2010 at Waterdown begins with Class & Mainstream dancing Thursday, September 9th (7:30 p.m. for beginners, class & MS alternating from 8:00 - 10:00); Plus on Monday, September 13th and A-1 on Tuesday, Sept. 14th (8:00 - 10:00 p.m.)

Waterdown Village Squares are hosting a special **Family Night** on September 23rd. **Bill Everett** will get our brothers & sisters, aunts & uncles, moms & dads, kids and grand-kids square dancing and having fun. Help your family members to understand why we love this activity!

Join us for our **Welcome Back Cornroast Dance** on Saturday, September 25th at St. James United Church, 306 Parkside Drive, Waterdown. Square-dancing Mainstream to A1 and rounds begin at 8:00 p.m., followed by local corn on the cob for everyone.

IDIOT SIGHTING:

I live in a semi rural area.

We recently had a new neighbour call the local township administrative office to request the removal of the DEER CROSSING sign on our road.

The reason: 'Too many deer are being hit by cars out here! I don't think this is a good place for them to be crossing anymore.'

SWING AND WHIRL SQUARE DANCE CLUB'S

50TH ANNIVERSARY

By Bob Beck, Thorold, ON

On **Saturday, November 13, 2010**, the **Swing and Whirl Square Dance Club** of St. Catharines will celebrate it's **50th Anniversary**. We will dance from 7:30 - 8:00 p.m. (Round Dance Party) and 8:00 - 10:00 p.m. (Squares with Rounds) at First Grantham United Church, 415 Linwell Road, St. Catharines, ON. Cost of the evening is \$15.00 per couple. The level of dancing is Plus with **Wayne Hall** and **Harry VanderGiessen**, our two club callers. **Bob Beck** and **Sharron Hall** will cue the rounds.

Fifty years is a long time for any organization and over that period of time there have been many changes. I have a very good history of the club from its inception to 1981. Betty and I started dancing with Swing and Whirl in 1988, so we have a pretty good idea of happenings since then.

This is a brief history of the club, with perhaps a few (or many) blanks.

In the late 1950's a number of the people who attended Grantham United Church were going to old time square dances in the Niagara area. They became aware of a new type of square dancing and approached Orphie Easson (Orphie Marcellus now) about starting a club. In September of 1960 a club was set up at Grantham United Church under the auspices of the church couples club. In January of the next year, an executive was formed to run the club. The president couple were Audrey and Earl Lampkin, the secretary-treasurers were Dora and Al MacDonald and the church contacts were Bill and Thelma Fargo. The club danced the second and fourth Saturdays. This is one thing that has remained constant over the past fifty years. The club is still associated with the church couples club (now the friendship group) and we still dance second and fourth Saturdays in the church hall - quite a record for any organization.

Over the years, the number of dance nights increased as classes were added and new dance levels developed. Special dances were added, trips were organized by Orphie. The club continued to expand over the years as the popularity of square dancing and round dancing continued to gain momentum.

Orphie called for the club until 1986 when she moved from the area after marrying Mac Marcellus. A number of callers have called for Swing and Whirl since then, starting with Geoff Ford (who taught Betty and I). He was followed by Mike Harris, Bea Foottit, Harry VanderGiessen, Doug Smith and currently Wayne Hall on Saturday nights. Wednesday night A-1 (now A-2) was called for many years by Tim Crawford and now by Harry VanderGiessen.

Like many clubs and the square dance movement in general, Swing and Whirl has seen a decline in membership and attendance over the last 20 - 25 years, but we have very dedicated dancers who want to continue dancing and we will do so as long as we can. Please join us on November 13 to help celebrate 50 years of dancing. For information contact Bob Beck at rbeck9@cogeco.ca or 905-227-7264

OTANABEE SQUARES - Peterborough, ON

By Sharon Rae, President

On Sept 13, 2009, **Otonabee Squares** will begin their second year of dancing.

Last spring we graduated 14 new dancers and enjoyed a regular attendance of about 4 squares. Starting the year with a group of people who did not know each other that well, we finished with a cohesive, fun group who feel strongly about their club and the will to make it succeed in the future. On May 20 we finished the year with a great pot luck and fun dance.

With a new club there is no stereotype of member (i.e. mostly seniors) so people of all ages showed up, from 12 years up! We have members of all ages, singles and couples and hope this coming year to encourage parents or grandparents to bring their children and grandchildren. Our single ladies had no problem pairing up with another single lady; they just want to enjoy the fun of square dancing!

Feedback at this point indicates that we will be getting quite a few new members and our main concern (a good problem to have) is whether we will need a bigger hall! We are fortunate that Wayne Whatman will again be our caller this coming year. Wayne is an excellent teacher and our new dancers are very competent in their basic moves and even started some mainstream.

Last year we accepted new dancers both in September and in January and we plan on doing that again. We had no trouble recruiting volunteers for our executive and we look forward to a successful year. We will be dancing basic and mainstream levels every Monday from 7-9pm. Our location is the Knox United Church hall, 400 Wolfe St, Peterborough.

For information call Sharon Rae 705 743 8699 or email otonabeesquares@gmail.com

JUBILEE ROUNDS – St. Jacobs, ON

By Andrea Priest

WOW – Can't believe summer's almost done – hope your's was great. Whether you went to the T&D Convention, a camp & dance weekend, NSDCA Camporee, the National in Nova Scotia, your club's summer picnic, a teach or workshop, or just to a special open dance, we hope that you got some good summer dancing in somewhere.

Two sessions: an **"Intro to Rounds"** session and a **"Rumba Basics"** session ran in Guelph through May & June and brought out 20+ couples of interested dancers trying out their round dance feet. Very nicely, too. Many have expressed an interest in joining us at Jubilee this fall. We look forward to seeing them here!

OPEN HOUSE - YOU'RE INVITED!!! **September 30th** will be our next open house. Please feel free to come out & see what we're about at Jubilee Rounds. We will have some very basic dancing for anyone who has never round danced before and there will be info and goodies, too!

Jubilee Rounds will be starting back with our regular program on **September 16, 2010**. We will be starting with new dancers at 7:00 pm and moving to phase II and III between 8:00 and 10:00 pm. Except for the beginner's teach, which is progressive so every effort should be made to attend each week, Jubilee's phase II & III sessions are adaptable to the "drop-in" dancer. Those who can't commit to another weekly club or just want to visit occasionally are always welcome and this year's program will accommodate you just fine. Our emphasis this year is on floortime – we will have a lot more dancing with only one teach (sometimes phase II and sometimes phase III) throughout the 8 – 9:30pm timeslot. From 9:30 to 10:00 dancing will be mostly at a phase III level, giving those dancers some quality floortime as well.

Dancing is \$12.00 per couple for the evening so "Come Early – Stay Late, it's your choice". Over the course of the evening there is something to fit all skill sets, from new dancer to phase III.

Jubilee will once again host the SWOSDA round dance party in May 2011 so mark it on your calendar early.

Visit us online at www.jeffreypriest.com to keep posted on our Jubilee and ShadowLight sponsored rhythm clinics and special sessions.

Jubilee Rounds dances Thursday evenings 7:00 – 10:00pm at St. James Lutheran Church, 1407 King Street N, St. Jacobs, ON. Contact us at 519-752-2172 or andrea@jeffreypriest.com.

We look forward to seeing all our members and lots of guests & visitors again this year!

THANK YOU, DANCERS

Al & Renia Calhoun thank the 2 squares of the wonderful dancers who came out for the **"Relay For Life"** at Birchmount Stadium in Scarborough at 12:00 midnight and danced until 1:00 am on 25 June 2010. We had a ball and also had 3 squares of the Cancer survivors dancing with us. Thank you all again. You all show us the true meaning of **"Square Dancing Friendship"**

How I learned to mind my own business

I was walking past the mental hospital the other day, I could hear the patients behind the fence shouting, '13....13....13.'

The fence was too high to see over, but I saw a little gap in the planks, so I looked through to see what was going on.....

Someone poked me in the eye with a stick!

And they all started shouting '14....14....14'..

TRIP TO HALIFAX CONVENTION

By Bob Beck, Thorold, ON

Betty & I attended the 17th Canadian National Square and Round Dance Convention held in Halifax, Nova Scotia, July 29 - 30 - 31, 2010. As this was our first trip to the Maritimes since we attended the 13th National Convention in St. John, New Brunswick in 2002, we decided to take a bit of extra time to see some areas we hadn't been to before. On our trip in 2002, we spent two weeks touring Newfoundland and spent a couple of days in Halifax, seeing the sights. This time around, about the only part of Halifax we saw was the inside of the Convention Centre.

We left Thorold on Friday, July 23. We decided to travel through the U.S. since it's a shorter trip and we avoid Toronto traffic. Travelling along the New York State Thruway, it was as if the monsoon season had come, with torrential rain at times. We finally managed to pull off a at a service centre, but had to sit in the car for about five minutes before making a rush for the inside. By the time we left, the rain was much less intense, although it rained much of the rest of the day. We had originally planned to drive on the Thruway to Albany and then through the mountains of Vermont and New Hampshire to Maine. Due to the rain and low clouds, we opted for the Massachusetts Turnpike. It was better driving until we ran into weekend traffic (I think it was all heading to Maine) around Worcester, Massachusetts. From there on it was slow going. We finally stopped for the night just inside the Maine border from New Hampshire.

The next day, I thought we would take the scenic route to New Brunswick. Everyone else had the same idea. After travelling about 25 miles in the next hour, we got back on the I-90 and headed for Bangor. After crossing into New Brunswick, we decided to go to St. Andrews. There are some lovely gardens there, but they were closed by the time we arrived so we decided to stay the night. We spent some time walking around St. Andrews and through the Algonquin Hotel. We would have stayed there, but we didn't want to have to mortgage the house. Sunday morning the skies opened up again with another torrential downpour, so we passed on the gardens and travelled to Moncton with a brief stop in St. John and at the Flower Pots in the Bay of Fundy (which we hadn't seen since 1973). Our hotel in Moncton (the Chateau Moncton) was right beside the river with a walking path along the river. Before we got back to the hotel – you guessed it – more rain. However, we had a covered bridge to stand under and with the sun also shining, saw a beautiful rainbow.

Monday dawned clear, and though it clouded up at times, we had no more rain until our trip home. We stopped at the Anne Murray Centre in Springhill (where we met some dancers heading to Halifax) before travelling along the south shore of the Bay of Fundy to Annapolis Royal where we stayed at the Bread and Roses Bed and Breakfast. A very large and lovely old house with a canopied bed in our room. We wandered around outside Fort Anne and the village until dark.

On Tuesday we explored the interior of Fort Anne and then went across the river to Port Royal, the first European settlement in Canada. From there we continued around Nova Scotia to Digby and Yarmouth and finally to Lunenburg where we stayed at another B. and B. The streets in Lunenburg seem to go straight up from the harbour – much like in St. John's, Newfoundland. You would want good brakes to drive around there. Betty and I like to do our exploring on foot. Walking is the best way to see anyplace and once we've seen the business section we like to walk through the residential section. Lunenburg is full of lovely old houses painted in bright shades of red, green, blue and yellow.

On Wednesday, we did the short drive to Halifax (after Betty did some laundry so we'd have some clean clothes to wear) arriving at Scotia Square about noon. After some lunch, we were able to pick up our convention package, met some more dancers, and then went to our B. And B. - the Welcome Inn, Halifax, where we were booked for the next four nights. It was quite warm Wednesday, and with no air-conditioning, I thought it might be warm to sleep, but Halifax cooled down at night and we were very comfortable while we were there. Wednesday evening we went out to eat with the son of a friend from Edmonton. He plays trombone in the Stadacona (Canadian Navy) Band. After supper he took us to both his house and the base where the band practices.

On Thursday, the convention started. It was about a ten minute drive from our B and B to Scotia Square where we parked in the underground parking. From there we had to take the elevator down to the Scotia Square Mall, walk the length of the Mall, then through the Convention Centre and finally up three levels to the Arena where the Callers/Cuers room was located. After checking in, we could decide which teaches we were going to take. This Convention was different than past conventions since the Showcase of Rounds was held at 12:15 p.m. in the Arena instead of first thing in the morning. If you were teaching a dance in the morning, you would demo it the previous day.

We had volunteered to teach three dances – a Phase II - Two-Step, a Phase IV - Waltz and a Phase IV - Foxtrot. All of our demos went well as did all of our teaches except for a problem with the remote microphone, which kept cutting out, during our Phase II teach. As well as our teaches, we cued rounds each evening. There were two halls, the larger one with a wooden floor laid over carpet, for Phase II - III, was usually very crowded, especially in the evening. The Phase IV - VI dancing and teaching was held in a hallway in the Arena complex. We thought the floor would not be good to dance on, but it turned out to be very good. The one problem was that it was fairly narrow and you did not have the room we have at Brock to do the Waltzes and Foxtrots properly. There were quite a few dancers there on Thursday night but not nearly as many on Friday and Saturday.

I can't comment on the Square Dancing, since all of our time was spent in the round dance rooms. We did attend both the opening and closing ceremonies. Overall, I thought the Convention was well run. Attendance was around 1200. There were a number of T. and D. Square Dance Callers and Round Dance Cuers/Leaders who contributed to the program. They included: Jerry & Bonnie Callen, John Charman, Andy Chong, Barry & Pam Clasper, Wayne & Sharron Hall, Bryan Henry, Doug & Heather Holmes, Charlie & Betty McClure, Dan & Rhetha Roy, and Don & Jean Clingin. Other T. and D. Members that we saw at convention were: Peter & Norma Flemming, Wayne & Anne Hare, Rick McKey & Caroline Charman and Arthurlyn Seager. Our apologies to anyone that we missed.

One of the special events of Convention 2010 was the introduction of Marjorie Kaiser, a former square dancer from Detroit, Michigan, who was attending the convention with her daughter. Marjorie is 107 years young and was a survivor of the Halifax explosion in 1917. She was introduced during the opening ceremonies and also modelled one of her own square dance dresses during the fashion show. The former president of our Square Dance Club in St. Catharines (Swing and Whirl) is also a survivor of the Halifax explosion, but much younger – she is only 97.

Sunday morning, we left Halifax and drove to Charlottetown, P.E.I. where we stayed for two nights. This was our first trip to Charlottetown since 1973 and our first drive across the Confederation Bridge. Charlottetown is another lovely place to walk around. The first night we watched a sound and light performance on the front of Province House. This is the home of the P.E.I. Legislature and is where the Charlottetown Conference took place in 1864 – eventually leading to Confederation in 1867. We also took in a performance of the musical, Anne of Green Gables at the Confederation Centre.

On Tuesday morning we started back, staying overnight in Marlborough, Massachusetts (just outside Worcester) and arrived home on Wednesday afternoon. Except for a bit of rain in New Brunswick, our trip home was uneventful. Overall, it was a good vacation. Nice to go away, but also so nice to come home.

WHAT CAUSES ARTHRITIS?

A drunk man who smelled like beer sat down on a subway next to a priest. The man's tie was stained, his face was plastered with red lipstick, and a half-empty bottle of gin was sticking out of his torn coat pocket. He opened his newspaper and began reading.

After a few minutes the man turned to the priest and asked, "Say Father, what causes arthritis?"

The priest replies, "My Son, it's caused by loose living, being with cheap, wicked women, too much alcohol, contempt for your fellow man, sleeping around with prostitutes and lack of a bath."

The drunk muttered in response, "Well, I'll be damned," Then returned to his paper.

The priest, thinking about what he had said, nudged the man and apologized. "I'm very sorry. I didn't mean to come on so strong. How long have you had arthritis?"

The drunk answered, "I don't have it, Father. I was just reading here that the Pope does."

WE'RE BACK!! An update on us..... as many of you have asked.

By Andrea & Jeff Priest

For close to a 4-year period, SQUARE & ROUND DANCING sat at a simmer on the back burner of our Stove of Life while our business venture, EmbroidMe was at a full rolling boil on the front element. In March of this year, Jeff & I made a business decision to close our EmbroidMe store and move forward to new and better things. (or actually in our case – old & better things!)

For those of you who know us well, you probably realized long before we did that a retail store was not an exact fit with Jeff's personality and the decision to close the store, although long overdue, was a good and right one. Jeff & I have both recently returned to not only what we love, but also what we're better at – The Dance Movement.

I say it like that because for us it entails more than calling and cueing. We also love to dance – no, really. Although we rarely get to dance with each other, we both love to move to music and thoroughly enjoy the floortime we do get.

But it's more than just dancing, too. Jeff is a natural teacher and makes learning easy with his clear and concise style. He has taught dancing to Brownies and their fathers, primary grade school classes, instructors at daycamps, entertainers at Wonderland, corporate team building groups, guests at weddings, family picnics & Christmas parties, neighbourhood block parties and, well, the list goes on and on and on and on. He has also taught calling skills to many callers in both Canada & the U.S. who were either getting started or just looking for added skills. He has been a panelist on numerous Callerlab Convention sessions, organized Caller's Schools, Clinics and Workshops for Callerlab, T&D, EOSARDA and SWOSDA areas and worked on many others internationally. And, there have not been too many years go by when Jeff has not taught a "Basics" class. With our affiliation with clubs in Toronto, Peterborough, Kingston and, now Elora, there have been many, many basic classes through the years. So, teaching is not only a big part of The Dance Movement but something that is very close to Jeff's heart.

As is Singing. Jeff has just released his latest CD and this one is great!! (As they all are, honey). But this one holds something special. It is part square dancing and part concert. Over the years, he has been asked so many times when he was going to put out a CD of just singing. So here it is, at last. Although neither Jeff or I are "music snobs" (meaning that we both like all sorts of music – just some more than others), Jeff's music of choice to both sing and listen to is the "Crooners" style so that's what this CD contains. For him, it was truly a labour of love. He had a ball producing it and it's well worth a listen. (even if I do say so myself!)

And people, yes, people are probably the biggest part of The Dance Movement that we are happy to be back to. You, the dancer. You, the fellow caller/cuer. You, the club contact. You, the fellow camp & dancer. Again the list goes on. We have missed you in our lives and are glad to be part of your very social world again.

I know this sounds like it's all about Jeff (as he says, "EmbroidMe was my mid-life crisis... should have bought a sports car, it would have been cheaper and more fun!"), so the biggest impact of this change has been for him. But to update me anyway... I have returned to a much loved job as an accounts payable administrator with a small company in Brantford (8 minutes from my house door – yeah, no long drive). I held this same position with this same company 10 years ago and it feels great to be back, just like coming home. And, without the time spent doing EmbroidMe work, I have more time to pursue my love of dancing & cueing as well.

So you can see that our return to The Dance Movement is a VERY exciting thing for us. We didn't realize how much we missed all the wonderful things The Dance Movement holds until we were away from them. Even though it didn't look like we went anywhere, we're so glad to be back!!!

Ontario Square and Round Dance Federation Newsletter - July 2010

The Ontario Federation is the all-volunteer coordinating body for Square, Round, Clog, and Line Dancing in Ontario. The Federation is governed by a Board of Directors made up of representatives from Ontario Associations and members at large from Northern Ontario Clubs. The Federation is incorporated as a not-for-profit corporation in the Province of Ontario.

President's Message

It has been a busy year on Federation. We have given our support to Ottawa's bid for the 2014 Canadian National convention. We have reviewed and approved a Trillium Merit Award for John & Roberta Wigglesworth with several more to be reviewed in August.

We are in the process of ordering 50,000 book marks for promotional purposes with 200 to be sent to each club in September. We will be handing out some 20,000 at the International Ploughing Match in St Thomas in September.

Our numbers continue to decline as the average age of our dancers continues to climb and more dancers retire. We need to reverse this trend and we are looking for new and innovative ideas to recruit new dancers. Remember Federation membership includes liability insurance from Society. Benefits include liability insurance should you inadvertently cause an accident. Your club and club executive are also covered. More and more halls, churches and community centers are requiring proof of insurance before allowing dancers to rent the hall.

T& D convention in Brock. Congratulations to the Committee for putting on such a great convention! Here

we witnessed the presentation of the well-deserved Wrigglesworth Trillium Award mentioned above. It was a fun-packed weekend with a topnotch staff and a great group of dancers. A big highlight was meeting an enthusiastic youngster, Alyssa Welch from New York state, attending the convention with her grandmother Janet Edwards . The smile on her face and the swirl of her skirts pronounced her delight as she matched the skills of those around her in the plus hall.

Wouldn't it be great to recruit an abundance of youngsters like this? Any suggestions?

Congratulations to these worthy recipients of the 2010 Trillium Awards!

John & Roberta Wrigglesworth, 2010 Trillium Merit Award

John and Roberta have danced for more than 30 years with John calling for 23 years. He called for the Milton Steamers until it closed and now calls for the Georgetown seniors as well as assisting other clubs with demonstrations and calling for other social groups to introduce them to square dancing. Even when they can't dance they often attend dances to support others. They can always be counted upon to do more than their share to help any group with which they are affiliated to be productive and successful. They have acted as T& D Presidents, Convention Chairs and continue to work on the Convention Committee as vendor convenors. Fittingly, John and Roberta received their award at Brock University at the 2010 Convention.

John & Roberta, Thank you for a job well done.

How to Stop Church Gossip

Mildred, the church gossip, and self-appointed monitor of the church's morals, kept sticking her nose into other people's business. Several members did not approve of her extracurricular activities, but feared her enough to maintain their silence.

She made a mistake, however, when she accused Frank, a new member, of being an alcoholic after she saw his old pickup parked in front of the town's only bar one afternoon.

She emphatically told Frank (and several others) that every one seeing it there WOULD KNOW WHAT HE WAS DOING !

Frank, a man of few words, stared at her for a moment and just turned and walked away. He didn't explain, defend, or deny. He said nothing.

Later that evening, Frank quietly parked his pickup in front of Mildred's house... walked home... and left it there all night..

(You gotta love Frank!)
