

To All T.&D. Members

T.& D. Association recently received \$4,000 from the Ontario Square and Round Dance Federation. The money is to help clubs within T.&D. with costs associated with promoting square and round dancing to prospective dancers. The executive has agreed to pay each club that is affiliated with T.&D. as an Associate Member or as a caller/cuer run club, up to \$200 towards the cost of trying to get new dancers into the activity. Clubs should submit to T.& D. a brief proposal of what type of promotion, i.e. media advertising, flyer distribution, etc, that they plan to do along with an estimated cost. After approval is given, clubs will submit receipts for expenses to T.&D. in order to receive up to \$200 towards those expenses. The money will be available on a "first come first serve basis". Any funds not distributed this year will be available for promotion for next year.

All enquiries about this program and submissions(brief) of proposed plans should be directed to the T.&D. Treasurer (preferably by e-mail).

Bills should be mailed to:
